Inspection Notes

I inspected this day the Ghanta Sabramaniaswamy Temple Daddaballapur and examined the repairs that are being executed there.

2. The works specified below appear to be more urgently called for and they should therefore take precedence of the Chandrasala work lately commenced.

(a) Substantial parapet walls should be built round the wells outside the temple which form the chief source of water-supply for pilgrims —

(b) In lieu of raising the height of the Navaranga mantapa as originally contemplated, it will be quite sufficient if a parapet wall of good design be constructed over it.

(c) Two small rooms should be newly built on either side of the Ardhamantapa, and also a new door-way opened on the northern side of the Antarasika. the two Cross. walls. and the old door-ways. being at the same time removed

(d) The earthen mound round the temple

Should be cut up and removed to the length of 75 ft in front and 50 ft on either side of the temple, and down to the basement level of the Chandrasala-

3. These works may be taken up at once the cost being met from the sum allotted for the Chandrasala- work which might be left, noted-

4. If by Lapse of Bangalore Dt. bill accordingly be required to forward the necessary requisition on the subject for the orders of Govt.-

To,

The Secretary to the
Govt. of Mysore,
Muzrai Deptt:,
Bangalore.

Sir,

In continuation of this Office Docket No. 131 dated 30th June 1894, and in reply to your Docket No. 141/88-9 dated 9th August 1894, regarding the repairs of certain ponds &c. in the Ghat-Subramaneswara Swami Temple in the Dodballapur Taluk, I have the honor to state that the amount now at the credit of the Temple, after deducting the expenditure already adjusted is Rs. 6920-4-1. The Dodballapur Shiristar's Report No. 89 of the 27th ultimo, enclosing the statement of receipts and expenditure, certified by the Taluk Treasury is herewith enclosed.

2. Simultaneously with the submission of the estimates for these ponds &c., their work was begun as instructed in the Muzrai Superintendent's Inspection Note received with Docket No. 956/88-9.

dated 7th March 1894, and the cost met from the amount already sanctioned for the Chandrashāla.

3. Owing to the diversion of the original grant for this purpose, funds are wanted to complete the Chandrashāla work and Rupees 247-12-8 is due to the Contractor on a passed bill.

4. I therefore request that the four estimates for road works ten above referred to, may be passed at an early date.

I have the honor to be,
Sir,
Your Most Obedient Servant.
